

# MSP 303

## SDI to HDMI Mini Convertor

### Key Features

- Mini size
- All SMPTE signals compatible
- 3G/HD/SD SDI Input
- Embedded audio

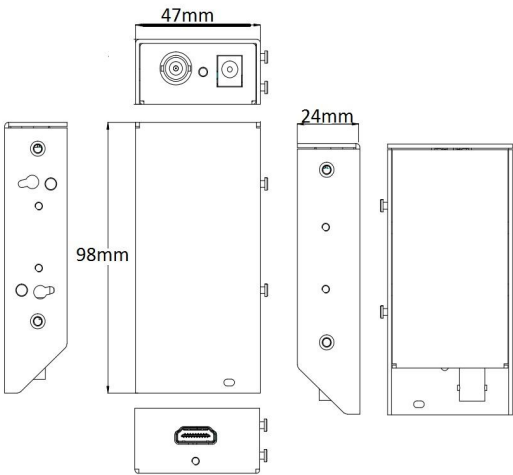

### Speficication

|             |                    |            |                                                                                                                                                                                                 |
